

ADVANCED OPEN WATER DIVER

Expand your diving possibilities

PADI Advanced Open Water Scuba Diver is the next step in your diving career. Increase your confidence and build on the skills learnt in your Open Water course. We will take you deeper to explore more of our great oceans. Modules can include Drift Diver, Night Diver, Navigation and most importantly, Peak Performance Buoyancy. Upon successful completion of this course, you will be qualified to dive to 30 meters, opening up a range of fantastic dives not available to you as an Open Water diver.

(or equivalent)

Course Cost \$400.00

The Fine Print

A non-refundable \$200 deposit is required one week before course commences. Full payment and course theory work are all due at the start of the course. If "Yes" is answered to any medical questions on the PADI Medical Statement, a current Dive Medical will be required. Course dates and dives may vary due to weather, participant numbers or other reasons as determined by Dive La Trobe. Course runs over one weekend on the Mornington Peninsular, near Blairgowrie.
