Course Cost \$450.00

\$650.00 for Non La Trobe Community

PADI Open Water Scuba Diver is your entry-level course into the amazing underwater world. Two thirds of our world is covered in water - start exploring the rarely explored! From Shipwrecks to abundant Marine Life, there is a lot to be enjoyed under the waves.

Upon successful completion of the course, you will be qualified to dive to 18 meters and have the opportunity to further your qualifications to allow you to explore more of the underwater world.

The Fine Print

A non-refundable \$200 deposit is required to secure your position on the course. Full payment, dive medical and course theory work are all due at the start of the course. Course dates and dives may vary due to weather, participant numbers or other reasons as determined by Dive La Trobe. Course runs over three consecutive Thursday evenings and a weekend on the Mornington Peninsular, near Blairgowrie. Free Dive La Trobe membership is valid until the end of the club year cycle.
